PARKINSON'S**
ENGAGE • MOVE • IMPROVE

Knowledge is Power

Parkinson's is the fastest-growing neurological disease in the world.

Please join us to learn more at a

RECEPTION & PROGRAM PRESENTATION

Friday, April 28 4:30–6:00 p.m.

or

Saturday, April 29 1:30–3:00 p.m.

2555 Garden Road, Suite B • Monterey

The mission of Power Over Parkinson's is to enhance the lives of those in Monterey County affected by Parkinson's disease by providing exercise and other programs proven to slow disease progression and improve quality of life.

Supported by a community grant from
the Parkinson's Foundation
